Shark

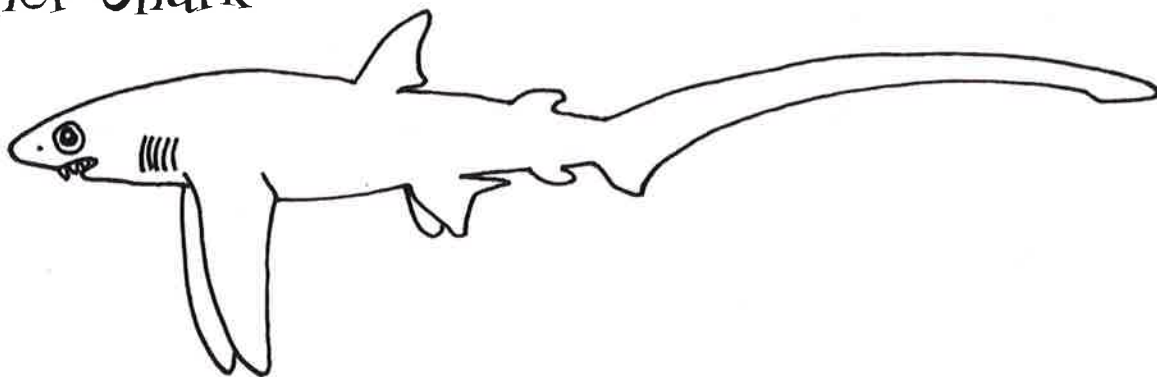

There are many different sharks, and they come in a variety of sizes and shapes. Here are some I think are cool:

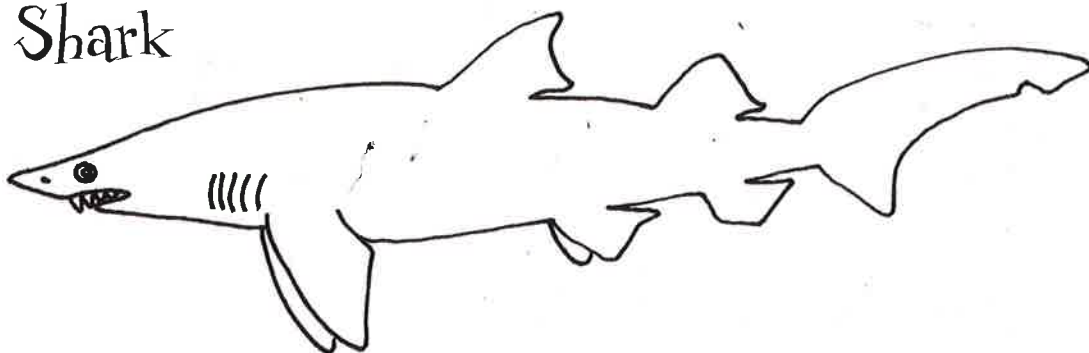

Mackerel Shark
"Great White"

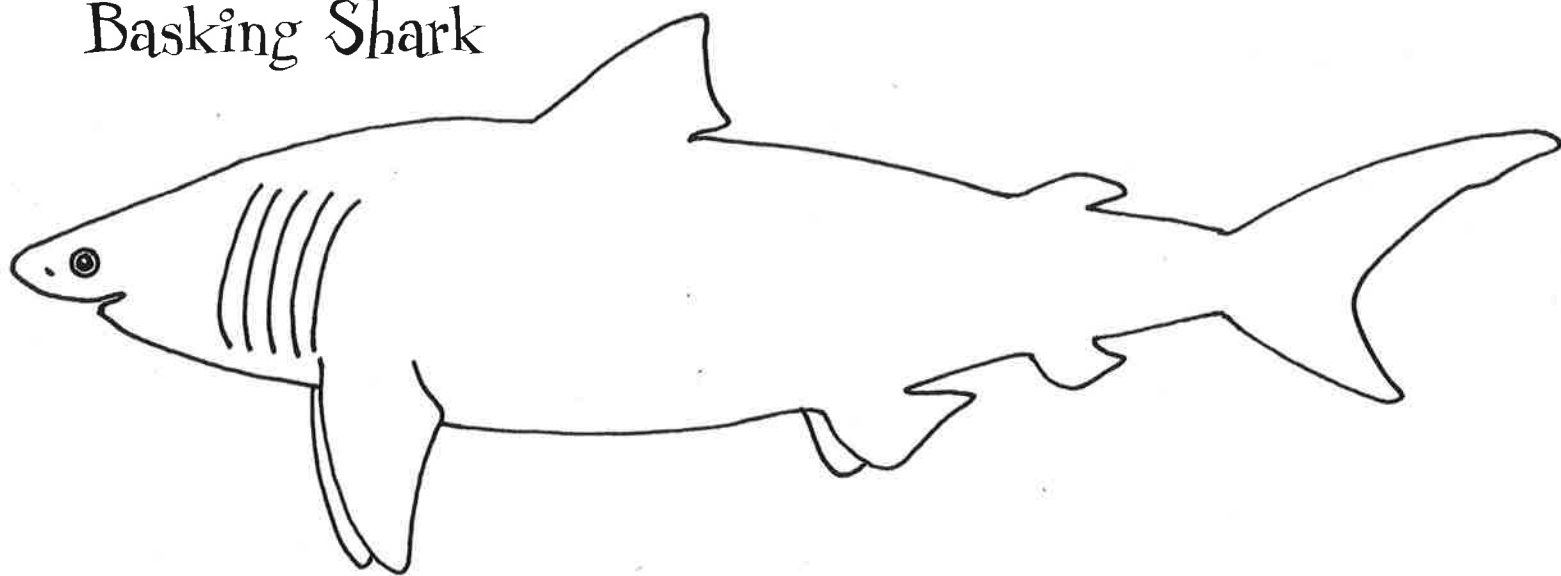

Thresher Shark

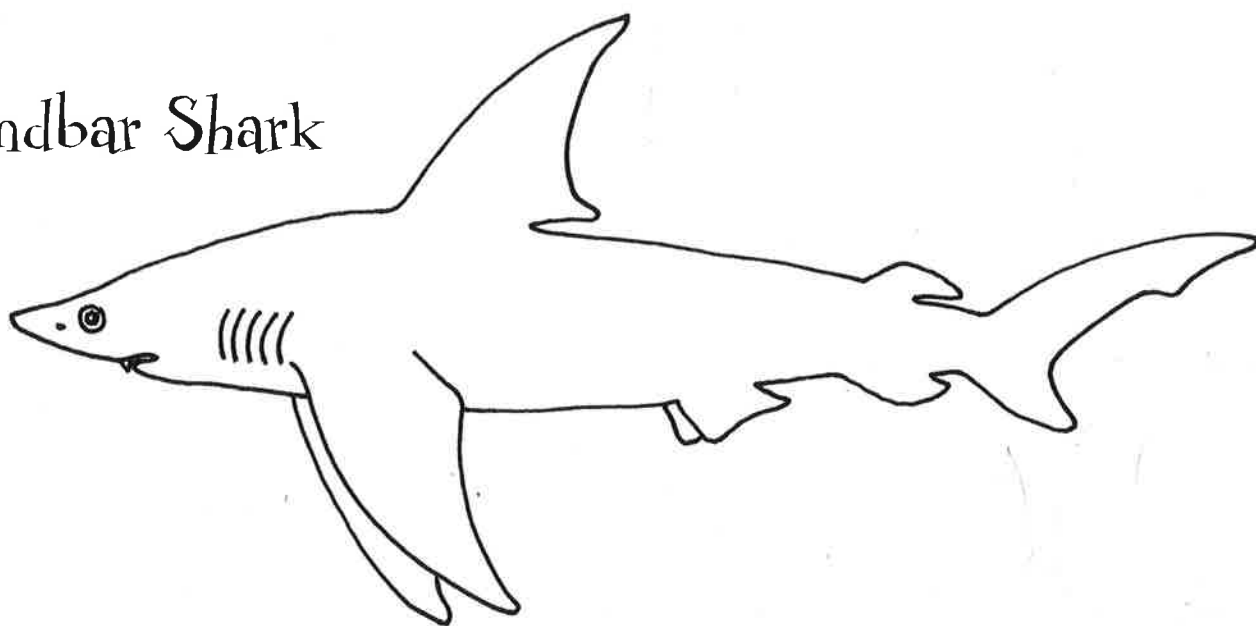

Tiger Shark

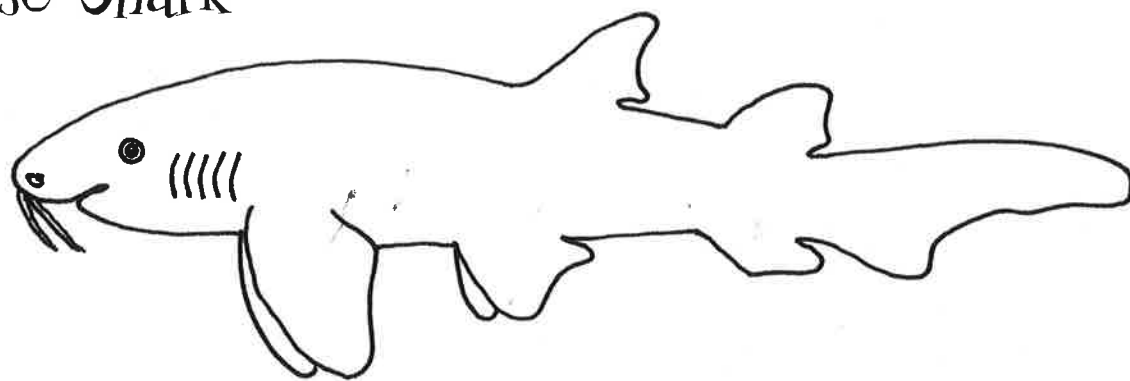

Basking Shark

Sandbar Shark

Nurse Shark

Time to get a wee bit wacky!
Use your imagination.

Now that you know how to dive into ocean drawings, it's time to create your own imaginary ocean life forms. Use what you've learned and create something new and unique. Here's a creature I made called the "Shark-hors-phin."

Have fun, and keep those drawings flowing!
