

How to Draw an Abstract Face

Materials

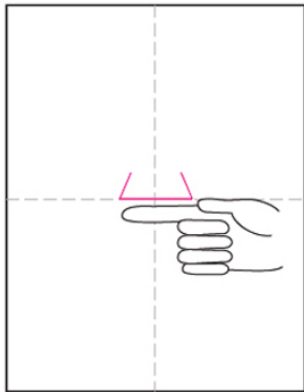

Paper

Pencil

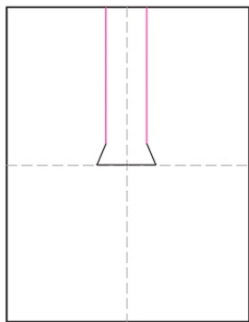

Crayons, marker or paint

Draw and Paint an Abstract Face

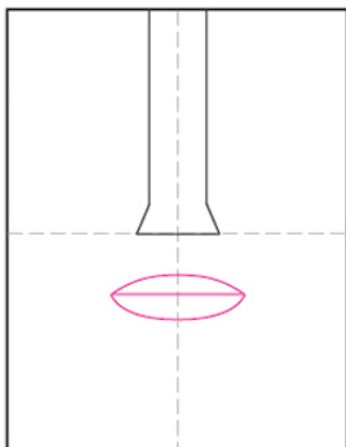

1. **Make guidelines or fold your paper in half horizontally and vertically (or hotdog and hamburger!) and unfold. Draw the nose.**

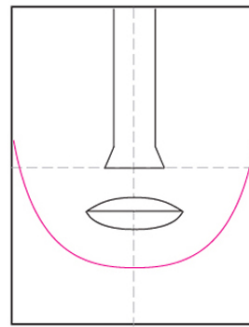

2. **Extend the two sides to the top of the paper.**

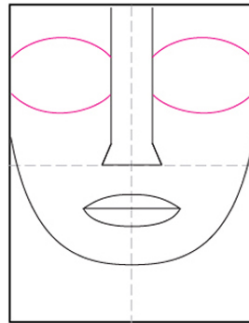

3. **Draw a simple mouth.**

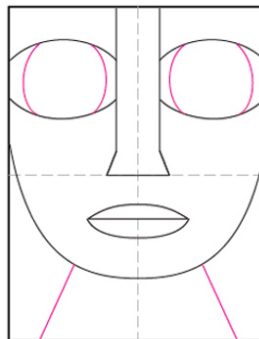

4. **Draw the chin.**

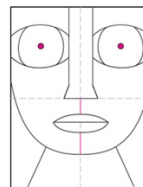

5. **Draw four curved lines for the eyes.**

6. **Finish the inside of each eye. Add a neck.**

7. **Add center of eyes. Draw vertical lines above and below the mouth.**

8. **Trace with black marker or crayon**

9. **Paint over all with watercolor paints.**

10. **Enjoy!**
