

How to Make a Summer Picnic

How to Make a Glass of Lemonade

Materials: Any colored paper for cup, yellow paper, white paper, colored pencils, straw, scissors & glue.

Step 1: Take a half sheet of paper, draw 2 diagonal lines to create a tall cup shape.

Step 2: Draw lots of small circle shapes and half circle shapes for the lemons. Draw small rounded triangles to create the detail of the inside of lemons.

Step 3: Draw little squares on white paper for the ice cubes.

Step 4: Cut everything out and glue together.

Add straw & glue down. All done!

Going on a Picnic!

Materials: Brown paper,
1 pipe cleaner (cut in half), different colored paper, colored pencils, ruler, scissors & glue.

Step 1: Fold brown paper in half. Measure every 1-inch on both front and back. Draw straight lines in pencil or black marker every 1 inch and then divide to look like bricks. (like a basket weave)

Step 2: Cut off a diagonal line off both sides of paper to create a basket shape.

Step 3: Cut a pipe cleaner in half, form a half circle to create 2 handles for basket. Glue the ends onto the inside top of basket, set aside to dry.

Step 4: Using any colored paper you have or scraps left in your kit- Draw any food you want for your picnic. Add color to each drawing and then cut out.

Ideas: sandwich, cheese, fruit, veggies, cookies, cupcakes, anything you love to eat!

Step 5: Glue all of your picnic foods to the inside of the basket. Have Fun!

Oh No! Bugs are at the Picnic too!

Materials: 1 piece of foam board,
1 pipe cleaner, colored pencils, google eye stickers

- Step 1:** Color the foam board or body of the bug any style you like, a happy bug or a scary bug!
Step 2: Cut the pipe cleaner into as many legs or antenna that you want.
Step 3: Stick the pipe cleaners into the foam board to make the legs and antenna.
Step 4: Add google eye stickers. Your bug is ready!
